Notice of Termination (NOT) for Construction Projects

The project site owner shall submit a NOT letter to the MS4 Coordinator or other designated entity certifying that each of the following conditions have been met:

- Yes No NA 1. All land disturbing activities, including construction on all building lots, have been completed and the entire site has been stabilized.
- Yes No NA 2. The remaining, undeveloped acreage does not exceed three (3) acres, with contiguous areas not to exceed one (1) acre.
- Yes No NA 3. A map of the project site, clearly identifying all remaining undeveloped lots, is attached to the NOT letter. The map must be accompanied by a list of names and addresses of individual lot owners or individual lot operators of all undeveloped lots.
- Yes No NA 4. The remaining acreage does not pose a significant threat to the integrity of the infrastructure, adjacent properties, or water quality.
- Yes No 5. All public and common improvements, including infrastructure, have been completed and permanently stabilized and have been transferred to the appropriate local entity.
- Yes No 6. All temporary erosion and sediment control measures have been removed.
- Yes No 7. All post-construction certified BMPs and associated control devices have been installed and documented with the MS4 jurisdiction (Town of Chesterton).
- Yes No 8. All permanent storm water quality measures have been implemented and are operational.

I hereby certify, under penalty of perjury, that to the best of my knowledge, all information provided in this notification are correct.
